# The Trafford College Group

## TRAFFORD COLLEGE GROUP

The Trafford College Group provides academic, technical and professional further and higher education. We will ensure that all our learners gain the education, skills and personal development they need in order to meet the local and regional skills challenge, putting them ahead of the competition in terms of securing meaningful employment and progression to higher level study.

## TRAFFORD COLLEGE

Dedicated to delivering innovative, inspirational education to help school leavers, adults and apprentices achieve their aspirations and career goals.

## STOCKPORT COLLEGE

From beginner to degree level, our courses take place in a vibrant, multicultural learning environment placing the development of employability and professional skills at the core of our programmes.

## TRAFFORD COLLEGE - SIXTH FORM CENTRE

We offer a dedicated and welcoming learning environment with a proven track record for student progression into many of the country's leading universities.

## UNIVERSITY CENTRE - STOCKPORT COLLEGE

Committed to delivering a high-quality student experience through a well-planned curriculum offer and excellent links with employers, ensuring positive students outcomes into employment.

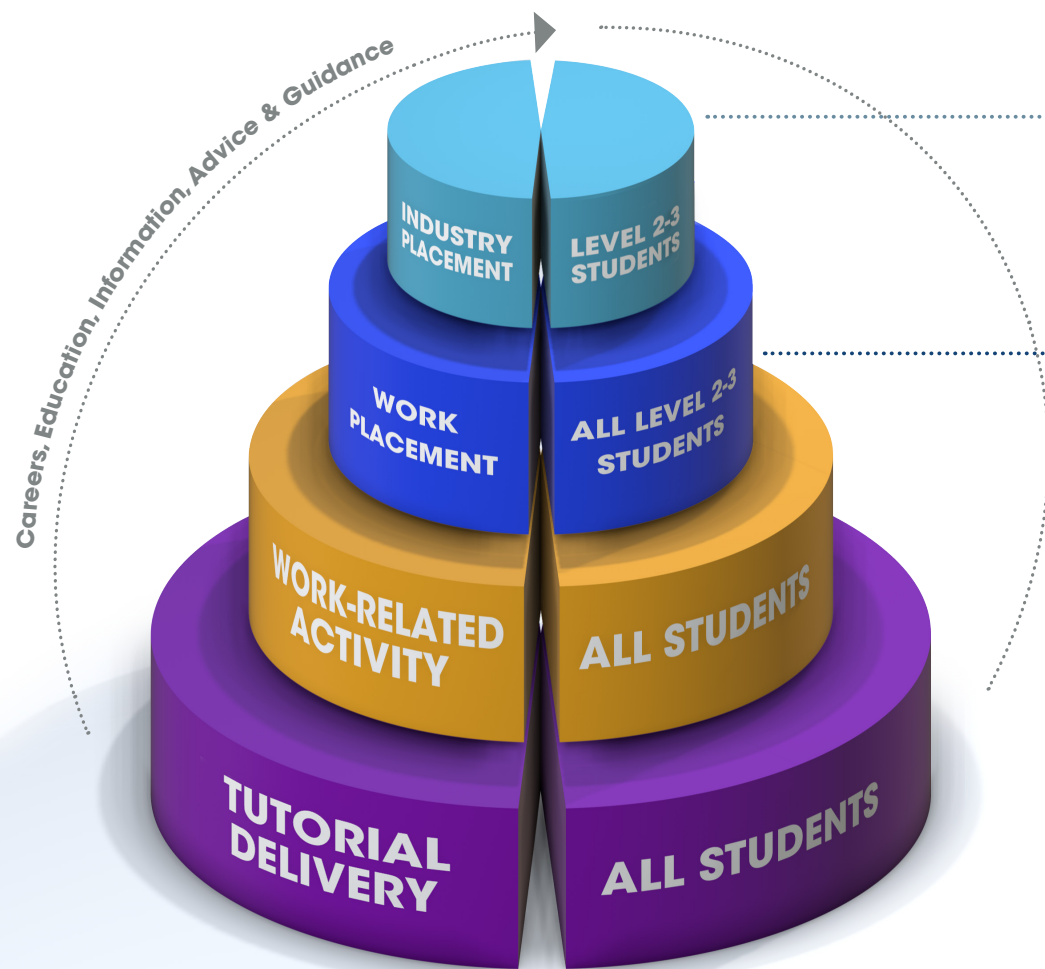

## APPRENTICESHIPS - START

START is one of the boroughs leaders in apprenticeship delivery working with some of the most significant employer in the area.
