### **ADULT EDUCATION BUDGET: PRIVACY NOTICE**

*Of interest to all providers, delivering GMCA AEB funded provision*

Version 2

July 2022

## **1. What is the Adult Education Budget?**

- 1.1 The Adult Education Budget (AEB) is a single funding stream replacing what had previously been three separate budget lines. It is intended to fund provision which supports the local labour market and economic development. In particular, it focuses on ensuring that adults have the basic and core skills they need for work; including guaranteeing a number of statutory entitlements relating to literacy, numeracy and digital skills.
- 1.2 In the Chancellor's Spending Review / Autumn Statement in November 2015, and in further announcements within the Budget in March 2016, it was confirmed that AEB would be devolved to the nine Local Enterprise Partnership (LEP) / Combined Authority (CA) areas. For Greater Manchester, the devolved AEB will play a key role in the region's reform agenda, linking with other activity aimed at supporting residents into productive and sustained quality employment, as part of an integrated education, work, skills and health system.
